

## PRESS RELEASE

June 2011

### **Alpine Golf meets Olympia World Enjoyment included & feel good factor guaranteed for the 2011 golf season**

Situated on a sun favoured high plateau above the rooftops of Innsbruck and with breathtaking panoramas of the surrounding mountain world, the Sporthotel IGLS welcomes its guests with time honoured Tyrolean hospitality, a contemporary attitude, varied cuisine and holistic health services. Whether suffering from stress, longing for relaxation or merely seeking pure enjoyment, this is the place. It is more than just coincidence that the Sporthotel IGLS also offers ideal conditions and a memorable setting on the Greens.

#### **For High Flyers of Golf**

We are proud to have all three golf courses of the Igl's high plateau in the immediate vicinity of the Sporthotel: The hotel's own Olympia Golf Igl's and the nearby Golf Club Innsbruck-Igl's with the courses in Rinn and Lans offer enormous space and ample potential for golfing highlights to professionals and beginners alike. The incomparable atmosphere of the courses, set in pristine nature – yet in easy distance to Innsbruck, leaves nothing to be desired even for demanding golfers.

#### **'Pay and Play' at the Olympia Golf Igl's: golfing amongst friends**

'Pay and Play' stands for playing golf without paying an entry fee or club membership, a great advantage particularly for beginners – the opportunity to gain experience on the course without financial commitments or membership obligations. The Sporthotel IGLS provides this sensational offer to its clients on its own course, the Olympia Golf. On this spacious driving range the Handicap almost improves by itself. However should you wish to train more intensively, you'll find a wide range of training options and highly competent Pros at the Golf School 'Golf Mile'. These ideal conditions are certainly not reserved for newcomers to the game – the Olympic Golf continuously welcomes passionate golfers appreciating the challenging seven par-3 and two par-4 golf courses at the foot of the Olympic mountain Patscherkofel.

#### **9-hole Golf Course Lans – steeped in 70 years of Golf tradition**

This 9-hole course at the Golf Course Sperberegg Lans presents itself full of challenges and is an absolute must for advanced players who can prove their skills in the charming park like setting amongst mature pines, deciduous and fruit trees. The course itself appeals with its seemingly easy Fairway and – under normal circumstances – can be played in about 90 minutes. From the newly designed lounge of the modern and comfortable club house much of this wonderful course can be overlooked and observed.

#### **18-hole championship course Rinn**

Rinn is an Alpine golf course with a very strong accent on sport. The second nine present themselves in majestic manner, if you can knock off several times with impressive drives for the lower greens. The panoramic view from the northern chain with the Wettersteinmassiv, the Limestone Alps and down to the Wilder Kaiser is a truly unforgettable impression. The competitive challenges of the course together with the stunning scenery are sure to leave a lasting memory on sport golfers. Modern golf carts are of course available at affordable rates.

### **‘The feel good factor’**

A sportive day needs to end with enjoyment, therefore recuperation and deep relaxation are the focus. The Health & Spa concept at the Sporthotel IGLS ranges from equilibrium and detox to sport and invigorating treatments. Personally looked after by our professional Spa team, you are immersed in pure relaxation and bound to regain fresh energy for new challenges. The individual needs of each guest are our highest priority.
